CHRISTMAS

Complete Arrangements For Gala Theatre Party For Daly City Youngsters

To Issue Tickets At Grammar Schools

Opening the Christmas holiday season for two thousand grammar school children of this community, the Daly City theatre will throw open its doors, Monday at 12:30 p. m., for the annual children's Christmas party.

Every child attending grammar school in Daly City is invited to attend. Open to children of Our Lady of Perpetual Help school and all grammar schools in the Jefferson district, the theatre party promises plenty of entertainment, besides a bag of candy, for all pupils. Tickets will be given out at the schools, tomorrow, before dismissal, and each child must present his ticket at the theatre box office.

Traditional with the yuletide season in Daly City, the Christmas theatre party is sponsored by the Daly City Recreation committee. As in previous years, the party is financed jointly by the city and John W. Marchbank. Aiding the recreation committee in its preparations is the Women's Civic Club of Daly City.

The day will be packed full of fun for the youngsters from the time they enter the theatre until they go home. Thrills from a western screen attraction plus plenty of laughs from a super-dooper program of cartoons and stage acts will be theirs during the af-

Female Hold-Up Artists To Face Trial

Daly City charges against Miss Mary Kieffer, 19, and her sister-in-law, Mrs. Betty Keiffer, 24, a pair of female hold-up artists who robbed the Globe tavern, Mission and Market streets, last month, are being held up pending trial by San Francisco authorities.

The girls, whose crime career came to a bitter end in San Francisco when the oldest, Betty, was shot in the abdomen during a scuffle with Mrs. Rose Maier in an attempted holdup, were nabbed by San Francisco police after Betty

SCHOOLS CLOSE

All schools in Daly City will be closed for the Christmas holidays following tomorrow's classes, it was announced by all principals.

Students of Jefferson Union high school will be dismissed at 12:30 p. m. tomorrow for their two-week holiday vacation. Our Lady of Perpetual help school and the six public grammar schools will all be closed after tomorrow's classes.

Both high school and grammar school students will return to classes, Monday, January 4.

Council Sets Date To Hear Protests

Battle-worn after a three year siege marked, first by work stoppage and charges of illegality, and finally by a lawsuit filed by property owners, the street improvement project for Daly City's south end appeared to be finally coming to an end, Monday, when the city council passed a resolution setting a final date of hearing of protests Bonds will be issued, and the date of hearing for those who protest against the issuance has been set for Monday, December 28.

A lawsuit filed in the superior court by Colma property owners who charged that they had been assessed nearly twice the estimated figure resulted in Judge Maxwell McNutt placing a demurrer on the case. The demurrer sustained by Hanrahan and Conolly, contractors for the street work, denies that cause for action on the part of property owners is valid.

At Monday's meeting, the council authorized the final protest hearing through the passing of a resolution.

Other major business taken up at the meeting was concerned mostly with personnel of city departments. Councilman Hugh Smith jr., chairman of the police commission, made a motion to accept the resignation of Arthur

A GOOD EXAMPLE

—Photo by Craig

When Kenneth Doolin jr. returned, December 12, from four months active duty with the U. S. Merchant Marine, first thing he did was look up his mother, Mrs. K. V. Doolin, and purchase a $500 War Bond from her. She was assisting, last week, with the drive at the Daly City theatre. As one of the men who's been "out there where the going's tough," Doolin knew first hand how important it is for everyone to buy bonds, and more bonds, for Victory.

The bond drive, sponsored by Old Glory Post and Auxiliary No. 1044, V. F. W., last week at the local theatre, was very successful, according to Henry Combe, manager of the Daly City. Mrs. W. J. Leigh, shown in inset above, was in charge of the booth for the week and was assisted by Auxiliary President Mrs. Doolin and other members.

Merry Yuletide— And Two Warnings

You are still getting poked in the ribs by somebody's package while clinging to a strap on the No. 14 car. You are still waiting for that salesgirl to come back and wait on you so that you can exchange the present for Aunt Agnes for a size larger. You are still much closer to the end of the line than the post office window, a line that would stop even Field Marshal Rommel's retreat!

In short, you are still in the preliminary stages of Christmas. So, before the serenity of good will toward men overcomes you, Daly City officials have a couple of strong warnings about your Christmas tree, both of which mean YOU!

One of them is a result of the war. Christmas trees are still going to be up, war or not, and, of course, the tree is not really a work of art until it has been lighted with Christmas tree lights of all colors. So trees are still going to have lights, war or not. But Civilian Defense Director Arthur J. Bodien reminds all Daly City persons that they are in a zone of restricted lighting. Even at Christmas time the dimout is still law. Bodien urges you to keep all window shades drawn while Christmas tree or household lights are on.

For prevention of fires started from Christmas trees, the following rules were given by Fire Chief A. P. Chesney:

1. Set up trees securely and keep them at a safe distance from open fireplaces, curtains or drapes.
2. Trees and all trimmings should be fireproofed.
3. Do not use wax or lacquer to decorate tree.
4. Lighted candles and cotton decorations are prohibited. (Metal, tinsel, glass, and asbestos wool are recommended.)
5. Do not use old or frayed electric light cords, and do not overload wires.
6. Smokers should be extremely careful because of the amount of wrapping paper and boxes.
7. Find out where your nearest fire alarm box is in case you do have an accidental fire, and wait at the box to direct the department to the correct address.

Resume Training Of CD Volunteers

Gas Defense, Special Police Training Begin

Training of civilian defense workers in Daly City was resumed on two fronts, this week, when classes began for both auxiliary police officers and auxiliary firemen.

Gas defense is the course which will be started tonight for auxiliary firemen of Daly City at Company 1 firehouse. Proper use of the gas mask and how to combat enemy use of war gases will be part of the course open to all auxiliary firemen. The course is taught by R. L. Crane jr., director of training for Daly City's defense council.

Auxiliary police officers are being schooled in specialized police training by a course from the San Francisco Police academy. This school, official training station for all officers of the San Francisco Police department, offers intensive training in drawing police lines, controlling traffic, and several other duties, many of which are directed specifically for civilian defense.

This course for auxiliary officers will be held every Tuesday night at Jefferson Union high school auditorium. The first actual class was held Tuesday after a preliminary meeting, last week. Inspector Hook of the San Francisco Police department's traffic detail, is the instructor. The course was instigated for Daly City's auxiliary police through a special arrangement made by Police Chief James G. Reardon of the Daly City Police department with the San Francisco academy. Chief Reardon attended classes at the academy.

Establish Deputy Office To Assist Local Applicants In Filling Out Forms

JEFF BASKETBALL

Basketball at Jefferson Union high school gymnasium will be offered to local fans, this afternoon at 3:15 p. m., when Jefferson's varsity and lightweights tangle with teams from Tamalpais high school.

Coach Elman Rose' Indians showed fine form, last Thursday, in taking Lincoln high school into camp, 27-12 in the varsity game. However, the 130s ran in to tough luck in their game and lost a 26-19 decision.

Today's game will wind up Jefferson's pre-holiday schedule before they open their PAL campaign when school convenes again after the holidays. PAL schedule will be announced later.

Control Centers Direct Evacuation

Evacuation of the Peninsula in case of a Japanese air raid, one of the most terrifying tasks facing local and nearby civilian defense councils, will be directed through control centers, it was learned, yesterday, by the Daly City Civilian Defense Council.

The plan for San Mateo county, jointly drawn up by the San Mateo chapter, American Red Cross and the San Mateo County Defense Council, has been approved by higher civilian defense authorities.

Police Chief James G. Reardon, who was appointed evacuation officer for Daly City, received instructions on the county plan, Monday. The other officer in the area near Daly City is M. Jay Jensen, director of civilian defense in the town of Colma. He will have charge of evacuation through Colma (incorporated).

According to San Mateo county preparations, all evacuation orders will be made through the sixteen control centers in the county, one of which is located in the Daly City city hall. Set up for local defense use, this control center will be the communications center for evacuation in this area.

Daly City's position will be more critical than any other place in the county in time of evacuation, according to Chief Reardon. Reiterating a previous statement on evacuation, he said:

"There will be over ten thousand automobiles choking the highways from San Francisco, through Daly City, and down the Peninsula if they start to evacuate.

"The flow of traffic will have to be directed down Highway 101 for Daly City evacuees. Nine

Light Registration Of 18-Year-Olds

New material for the army among Daly City boys (those who have reached the age of 18 since July 1) began signing up with Daly City Draft Board No. 103, Friday. Today is the last day of registration for those who became 18 during July and August.

Beginning tomorrow, boys who became 18 years old during September and October are required to register for selective service. The registration for this group is from tomorrow through Thursday, December 24. Specifically, this group includes those who were born on or after September 1, 1924, but not after October 31, 1924.

Place of registration is in Room 21 of the city hall in Daly City or the selective service headquarters across the hall. Hours for 18 year olds to register are between 9 a. m. and 5 p. m.

Registration up until Tuesday had been light in Daly City, according to Mrs. Isabelle Flynn, draft board clerk. Fifteen registrants on the first day of registration was the largest number in any one day that signed.

Gas Requests Must Be In Before Dec. 31

Office hours for Daly City have now been established by War Price and Rationing Board No. 31-4 for all local ration applicants, eliminating the transportation difficulty to South San Francisco.

The Daly City deputy group, composed of three local members of the rationing board, will hold office in the Jefferson Annex grammar school building on San Pedro road in Daly City's south end. The school is located on San Pedro road opposite Alemany street, two blocks west of Mission street. Hours for the meetings are from 7 p. m. to 9 p. m. on Mondays and Wednesdays, and from 9 a. m. to 12 noon on Saturdays.

Establishment of this office came about through a decision of the rationing board to save tires and gasoline of Daly City applicants, who previously had to travel all the way to South San Francisco headquarters. Operating the Daly City office will be the following board members: Claude Cattori, Mrs. J. Ledterman, and Charles Suenderman. Solely for the purpose of aiding applicants in filling out forms, particularly for supplemental gasoline rationing, the Daly City deputy office will give out all information necessary for application, and will answer questions of applicants.

In the matter of application forms for supplemental gasoline rationing returned to applicants, Mrs. C. F. Day, executive secretary of the board, made clear one point in particular this week. When the majority of all applications for gasoline books were returned, many motorists apparently were under the impression that their request for more gasoline had been turned down. Contrary to this idea, Mrs. Day was emphatic in explaining that they have not been turned down, but have been returned because they were not made out properly.

Anyone whose application form has been returned to them was advised to see the deputy board when they meet in Daly City, get their form filled out correctly, and return it to the rationing board.

All appeals for supplemental gasoline must be in by Thursday, December 31. Absolutely no re-

Children Turn Out Lapboards, Kits

Eighty lapboards and 125 handy kits for American service men in hospitals, made by Daly City grammar school children, are being shipped, this week, to the Red Cross for distribution.

No time was wasted by the children of three elementary schools in the Jefferson district. The program, arranged by R. L. Crane jr., superintendent of schools, was launched only last week, but the pupils went to work immediately. A group of girls, under the direction of Mrs. Ruth Mayo, began sewing work on the handy kits on Monday of last

Season's carols and hymns will be sung by the high school chorus under the direction of Oscar Busch.

The cast for the play includes Tina Chirola, Joe Rodriguez, the narrators; Walter Cavagnaro, Joseph; Kay Lopresti, Mary; Donald Decker, Glenn Kollmann, Benny Greenough, the shepherds; George Lagomarsino, Gene Hopper, Clyde Barnett, the three kings; Anita

IMPORTANT CAST IN FILM AT DALY CITY THEATRE

Cary Grant, Jean Arthur and Ronald Colman are starred in Columbia's exciting new romantic comedy, "The Talk of the Town," which is currently playing at the Daly City theatre. The film was produced and directed by George Stevens, maker of "Woman of the Year" and "Penny Serenade." Irwin Shaw and Sidney Buchman, author of "Here Comes Mr. Jordan" and other sensationally successful films, penned the screen play for "The Talk of the Town," whose supporting cast includes Edgar Buchanan, Glenda Farrell and Tom Tyler.

With so important a cast and behind-the-camera crew, "The Talk of the Town" naturally became one of Hollywood's favorite topics of conversation from the moment production started. When filmdom finally saw the picture, "The Talk of the Town" immediately became the talk of the town! "Sneak preview audiences outdid themselves in praising the performances of the stars, in applauding the masterful story and entertainment-wise direction.

"The Talk of the Town," presenting its star trio with roles of equal and valuable merit, is reported to be a motion picture made for laughter and for excitement. Grant is seen as a likable guy whose zeal for his fellowmen sets the officialdom of his town against him, so that he is unjustly accused of arson and murder. Escaping from jail, he takes refuge in the country cottage rented by Colman, who is cast as a bearded law school dean, dignified and impractical, a man convinced that the theory of the law is of sole importance; its practice is not his concern. Miss Arthur is the town gossips' favorite target, a warm-hearted, lovable young woman who aids Grant in his refuge, and joins with him in attempting to convince Colman that the theory and the practice must go hand in hand. When that idea finally is realized, Colman swings into determined action in his effort to prevent a miscarriage of justice.

ICE SKATING

Now that the Winter season is well under way, local interest in ice skating has shown a marked increase according to the management of Winterland, the big ice rink at Post and Steiner streets.

Many special activities are included in the calendar for the balance of the skating season. Among these are the regular weekly Ice Polo games and speed skating events.

Winterland is open for public skating sessions each afternoon and evening of the week, with morning sessions on Saturdays and Sundays. Skates are available for rent and lockers may be secured by those who have their own skates. Expert instruction in both beginning and advanced skating is featured at the rink.

EVERETT LLOYD MILLS JOINS NAVY

A new Daly City volunteer for service in the U. S. Navy has reported to the Naval Training Station at Farragut, Idaho. He is Everett Lloyd Mills, son of Mr. and Mrs. Andrew Perry Mills, 6139 Mission street.

After several weeks of recruit training, during which time he will learn the fundamentals of Navy life, he will be assigned to a Navy service school for specialized training or sent to the U. S. fleet for early action.

Mills is 18 years old, and is a former student at Jefferson Union high school. Later, he worked as a carpenter with the Southern Pacific railway.

There will be a Christmas wherever our boys are. The lighted tree will be there, too—real or envisioned.

Somehow this tree symbolizes the ideal for which they are fighting—democracy's determination — that the light of Faith and Freedom shall not perish from this Earth.

You can count on it, our boys will observe their Christmas as good Americans. Boys, now turned men, who not many years back thrilled to the big package under the lighted tree at home. Or whooped in delight at a football suit or a surprise bicycle suddenly appearing from secret hiding.

Like their fathers of another war, they will make sure that there is no dim-out of the brightness of Christmas for them. They will share Christmas in new-made comradeship. They will share Christmas as big brothers from America to put sparkle back into the eyes of war-saddened children in foreign lands.

Light your tree at home in dedication. Share your Christmas with a boy in service. Buy War Bonds in remembrance. Keep buying War Bonds that the light of Faith shall never fail. Buy War Bonds that no hand will be empty when a fervent voice says — "Praise the Lord and pass the ammunition."

Holy Angels Parish Plans Whist

Ladies of Holy Angels church, Colma, today announced that plans for the December 20 benefit turkey whist are completed. The affair is set for Sunday at 2 p. m. at Parish hall.

All proceeds from the card game will be used for the expenses of the Sunday school.

The committee announces that the afternoon hour for the card party was chosen to give an opportunity for people to come who might otherwise have to stay at home on account of gas rationing.

Many lovely prizes have been procured for the event and the public is cordially invited to attend, according to Father James Sorasio.

Association Reports On Assessed Valuation

Assessed value of taxable property in San Mateo county averaged $1,047 per capita for the current year, compared with a per capita of $1,067 for 1942, California Taxpayers' association stated today, making public its study of values of property for local tax purposes in California counties.

The county ranked second above the $1,034 average per capita assessed value of property in the state, the association found. The $1,034 per capita value throughout the state this year is $5 less than the $1,039 average for 1942.

Total assessed value of property in the county is $132,353,035 this year. Assessed value in the county for fiscal 1942 was $124,978,000.

"Blossom Time" Opens December 20

"Blossom Time" is spring time according to all the laws of nature. But a quick gander at the box office receipts will convince the most ardent naturalist that the operetta of the same name has flagrantly disregarded those laws to flourish under a year-round regime.

Now on a transcontinental tour celebrating its twenty-first anniversary, "Blossom Time," with Everett Marshall, formerly with the Metropolitan Opera, starred in the leading role, comes to the Geary theatre Sunday afternoon, December 20, for a two week engagement. There will be an extra midnight performance Thursday, New Year's Eve. The matinee days are Sunday and Saturday.

Adapted by Sigmund Romberg from the melodies of Franz Schubert, the music is both ageless and timeless. It is even more popular today than it was a hundred years ago, and with each generation its audience increases.

The action of "Blossom Time" follows the story of the impoverished young Viennese composer and his hapless love for the naive little Mitzi. Written by Dorothy Donnelly, the libretto blends perfectly with the score. Perhaps the most vivid illustration of this is the scene in which Schubert scribbles the exquisite "Serenade" onto the back of a menu while sitting with his friends in a beer-garden.

Making her debut as Mitzi is lovely Agnes Cassidy. Frank Hornaday appears as the dashing Baron Schober and Lorraine Bridges takes the role of Bellabruna. Principal comic roles go to Detmar Poppen, Harry K. Morton and Zella Russell.

Approximately forty members of the local aerie are in the armed forces.

The annual Christmas Tree party, held in previous years by the Colma Vista Grande aerie, has been cancelled this year because of the war.

Refreshments at tonight's meeting will be served by Glenn Wilkes and John Leepin.

Colma Council Holds Routine Meet

Colma's town council held a brief meeting, Monday morning, a regular monthly session which lasted more than half an hour.

Nothing of import developed at the meeting and councilmen were concerned only with routine business. Payment of bills was authorized and other obligations handled.

However, the possibility arose that the aid of the San Mateo County Planning commission would be sought by the council in the construction of a drainage system to relieve the town of excess water. Planning for the drainage system project has been under way for the past few months.

Hold Tenderfoot Investure Services

Tenderfoot Investure Services were held at the Grace Church of the Nazarene, last Thursday, at 7:45 p. m. Scoutmaster Joseph Straughan was in charge of the services. The awarding of badges of office was taken care of by Neil Edwards, chairman of the troop committee.

The following boys were invested with the rank of Tenderfoot scout: Robert Thompson, Harry McCune, Jacob Hummel, Marvin Morrow. Thompson and McCune came up from the associate cub pack while the other two boys are new to scouting.

The boys who received their badge of office were: Thompson, troop scribe and assistant patrol leader of Indian patrol; Marrow, patrol leader; McCune, troop librarian; Hummel, troop quartermaster.

Moving pictures of activities at the recent patrol leaders conference were shown.

Mrs. Edward Marrow, Mrs. Willard Bock and Mrs. Ray Lagomarsino, along with other mothers of the troop, presided over the rummage sale, Saturday. Proceeds went to the promoting of Boy Scout and Cub work.

The boys of the troop are now busy working on a retaining wall between the church and the adjacent property. The fenced in lot, which belongs to the church, will be made into a recreation place for the scouts, cubs, and Sunday school pupils. The boys are now installing a barbecue pit and limited playground apparatus.

"We can still have a bright Christmas," the association's statement reads, "and at the same time conform strictly to government limitations on both holiday lighting and the use of critical materials.

FOR THAT WAAC

In selecting Christmas gifts for your friend or relative who belongs to the WAAC, thought should be given to her off duty hours when she is allowed to wear civilian clothes, corps officials said.

Suggestions include a makeup box large enough to hold small articles, so that the WAAC's foot locker is always neat. Cookies and candy are always welcome, for WAAC's like soldiers are always hungry.

Then too, cigarette cases to fit in a shirt pocket, cases for lingerie, traveling irons and money belts are most welcome gifts.

week. Mrs. Mayo is sewing instructor for the grammar schools. They were followed on Tuesday by the arts and crafts class, a group of boys and girls who started on the lapboards. Supervising this class is Mrs. Rose Corral.

The handy kit is just what the name implies. It is a bag to be hung on the bed frame and will hold toothpaste and brush, shaving supplies, cigarettes, or any other incidentals used by the service man. Made of muslin material, there is nothing fancy or elaborate about the kit. It is a strong, serviceable kit to fit the use of a soldier, sailor, or marine.

The lapboards can be used for writing, playing cards, or reading in bed. They are built so that they fit right against the patient's body, an arc being cut in the board. The boards are made of plywood and are lacquered so that they have a smooth surface.

Accounting for the mass production of the first lot, a regular assembly line was set up for the pupils, and the projects moved right along the assembly lines from start to finish "without a hitch."

The work is part of the activity started in Daly City schools by Crane for duty in the Junior Red Cross, of which all pupils are members. This work also represents a cross section of the growth of domestic science and arts and crafts classes in Jefferson district schools in the past eight years.

ternoon. Main feature of the screen department is "Knights of the Range," a Paramount thriller which stars Russell Hayden and Jean Parker. When the youngsters are set for the laughs, the Daly City theatre will present such cartoon comedies as "Raggedy Anne," "Gabby Goes Fishing," "The Dandy Lion," "Problem Pappy," "Breezy Little Bears."

The Indians of Rhythm, famous here and widely acclaimed in Daly City as one of the most entertaining local attractions, will headline the stage show. Composed of students of Jefferson Union high school's music organization, the Indians of Rhythm are under the direction of Howard Miguel, high school music teacher.

Besides popular tunes of America's dance bands, the Indians of Rhythm will present many special features. Girls who will favor with songs are Lillian Altman, Patsy Maraco, Daisy Yonan, and Virginia Nestor.

But the Indians' prize package in their bag of tricks is a pair, Fred Waterman and Emile Lemonie, who have a real laugh-provoker. Their act is a German variation of the Bronx Cheer with Herr Hitler as their target, and the song, "Der Fuehrer's Face," one which has been made famous in America since the start of the war.

In addition to the stage and screen attraction, every child will be treated to a bag of candy. Santa Claus will be on hand to give out the candy.

Both the Daly City Police and Fire departments will be on hand to assist at the party. Street crossings will be patrolled when the children come out of the theatre.

Preliminary hearing was held at the hospital where Betty was still confined as a result of the shooting. Their subsequent court trial will take place after Betty's release from the hospital.

Daly City authorities will press charges after termination of the San Francisco case. If San Francisco court passes sentence, the trial in San Mateo county superior court will not be held until they have served the first sentence, Daly City police said.

Seventy-five dollars in cash was taken from the Globe tavern on the night that the two girls held up Narcisso "Red" Stefanelli.

Sentence Youth For Beating Child

Glenn R. Bowman, 19 year old Colma youth, was sentenced to serve six months in the county jail, Tuesday, in Daly City justice court after pleading guilty to charges of beating his infant stepdaughter, Margaret Hattan.

Sentence was passed by Judge Wade H. Clay in the court chambers of the city hall, Tuesday morning. Bowman was returned to Redwood City for confinement immediately following trial. It was the third time Bowman had appeared before Judge Clay, having been arraigned first, then appearing in a probation hearing.

The beating took place in the home of Mrs. Jewel Foster, sister-in-law of Bowman's. Mother of the little girl was not at home at the time. Complaining witness against Bowman was Mrs. Foster, who signed the complaint.

Judge Clay granted the defendant a credit of 23 days on his sentence, having already served this while awaiting trial.

Reardon Continues Accident Investigation

With a possibility still remaining that Peter Mork, San Mateo, might still be charged with reckless driving following an automobile-pedestrian accident on Junipero Serra boulevard, Police Chief James G. Reardon continued investigation of the accident, this week.

Chief Reardon questioned Chester A. Flis, United States Coast Guard officer who was struck by Mork's car, Thursday night, December 3, and later run over by another machine, when it was found the injured man could not be moved from the street. Chief Reardon's first chance to question the injured man was, yesterday, at the Marina hospital where the man is suffering from a broken left leg and chest injuries sustained in the accident. His condition was reported improved yesterday.

Mork's testimony, that he was driving north when he struck Flis near the School street intersection, might indicate that the accident was unavoidable. However, police revealed that it was likely Mork's car was travelling south, in a manner that he would have had to weave over in the northbound lane to strike the man.

Ask Women To Knit Wool Watch Caps

America's women are being called upon to make a new war contribution with their knitting needles.

They are being asked by United Seamen's Service to knit warm wool watch caps for merchant seamen who, in wintry seas, run a gauntlet of torpedoes and bombs to deliver munitions to allied fighting forces all over the globe.

"We earnestly hope that women throughout the nation will turn to with a will and knit the much-needed watch caps," said Philip Ketchum, west coast director of USS.

Directions for knitting the seamen's caps may be obtained by writing to United Seamen's Service at 564 Market street, San Francisco. Volunteers who respond to the USS call should be prepared to furnish their own wool as part of their contribution, Ketchum said.

This year the holiday season finds millions of our fellow-citizens in the armed forces, millions more in the factories and shipyards who serve those gallant men at the front.

There is no finer Christmas gift that can be sent to our fighting forces than the greatest output possible of planes, ships, and supplies, bringing Victory closer.

The Long Distance lines of the Nation are serving this gigantic program by handling a tremendous number of calls, the greatest in telephone history.

Big as it is, the network of Long Distance lines has no margins this year for purely personal calls; nor can more lines be constructed. The copper and other materials that would require are needed still more by our fighting men.

In recent months, your co-operation in keeping Long Distance calls to the *essential* has helped to keep these lines clear for war calls. We ask now that you continue this assistance, over the holidays especially. To war-busy centers, please make only calls that are *necessary*.

We appreciate your friendly help and understanding.

FREEDOM DEPENDS ON FREE PRESS

In a recent address in New York City, Dean Carl W. Ackerman of Columbia School of Journalism, pointed out the dangers in restricting freedom of the press as is now being attempted in suit filed by the Department of Justice against the Associated Press and 1,275 daily newspapers.

"If those who are determined to freeze the press, succeed in achieving their objective, we may have freedom of speech, but be deprived of freedom to speak, because the facilities and instrumentalities of communication will be frozen for the duration and only those governmental officials and agencies beyond censorship control will be able to use them.

"Under the cloak of war emergency, the American way of life is being profoundly changed by law, by directives, by executive orders, by judicial decisions, by consent decrees and by accomplished facts which the people are told about after the events."

Dean Ackerman pointed out that insofar as censorship of war activity was necessary to the success of war plans, no one has a right to object and no journalist would purposely give aid or comfort to an enemy, but he said the present attack on the press "has no justification whatsoever by the necessities of war. The object of that suit is not to preserve the freedom of the press but to freeze the press into a new mold, not during the war but in perpetuity."

And in that last sentence Dean Ackerman points out a growing danger to freedom in the United States—freedom of the individual, freedom of industry and freedom of economic progress. The loyalty of our people and their willingness to give their sons, their daughters and their worldly possessions to once and for all stamp out the threat of foreign dictatorship in America, must not be used as a screen behind which political agencies can freeze the nation into a new mold of restricted rights after the war.

READING AND WRITING

By Edwin Seaver and Robin McKown

A LOT of people who remember Christopher Morley from his jovial smooth-shaven days, ask him why he's taken to a beard. Morley's answer is simple: "I like it," he says. As a matter of fact, there's a story behind Kit Morley's famous beaver.

CHRISTOPHER MORLEY

It seems that when Felix Riesenberg, the well known travel writer and a close friend of Morley's was alive, he had a beard—which he had grown as a sort of memorial to Herman Melville. So when Riesenberg died, Kit decided to start his own—as a memorial to his friend.

Morley gets his beard trimmed about once every three weeks. At first, he says, he had trouble with barbers. The average barber takes no interest in beards; in fact, he dislikes them. Then one day he happened in a little shop where the barber was a real beard fancier. He was delighted when the famous author walked in. "I treat your beard perfect," he told him. And so far, he has.

* * *

At the time when British children were first being sent to the United States to get them out of the way of Nazi bombers, Morley got the idea that the Americanization of an English child would make an excellent subject for a novel. This is the theme of his new novel, "Thorofare," which deals, however, not with a child of modern times, but with an English boy of about a generation ago, who was transported from a quaint and quiet English town to the busy metropolis of Baltimore.

Morley has two brothers, hardly less famous than himself. One of them, Frank Morley, is an editor of Harcourt, Brace & Co., the other, Felix, is president of Haverford. His son, Christopher, Jr., has been driving an ambulance for the fighting forces in Africa and narrowly escaped being captured at Tobruk during Rommel's big push last Spring.

Besides writing books, Christopher Morley is one of the judges of the Book-of-the-Month Club—has been, in fact since the inception of the Club in 1926. "Thorofare," however, will not be a book-of-the-month. The reason: the Club's ruling is that no book written by one of its judges may be selected.

* * *

This is from Ogden Nash's entertaining book of verse, entitled "Good Intentions."

Some primal termite knocked on wood
And tasted it, and found it good,
And that is why your Cousin May
Fell through the parlor floor today.

* * *

German newspapers print what they are told, not what they think. In "This is the Enemy," Frederick Oechsner, who lived in Germany for twelve years, tells how this works. For example, one of the high points for the foreign press came when the German Propaganda Ministry official assigned to both domestic and foreign press conferences, forgot which group he was addressing, and began his remarks: "Gentlemen, today you are to write the following. . . ." The ensuing snickers from the gentlemen of the *free* press caused the official a great deal of embarrassment.

Just Let Us Know!

This is an invitation from the Daly City Record to any local man in Uncle Sam's armed forces, or his "home folks" to let us know of promotions and activities that would be of interest to Daly City readers. We are always happy to publish such news. Since only a few of the training camps and officers' schools have public relations officers, we do not hear directly of many such promotions unless the men or their families themselves tell us.

When "Johnny" or "Joe" becomes corporal or goes off to officers' training school, let us know. Phone RAndolph 3215. That's NEWS to Daly City. In addition, our long-ago offer to send The Record free to any man fighting for Uncle Sam still holds. Just let us know your name and address.

Ethel Barrymore Star Of New Curran Drama

"The Corn Is Green," the Emlyn Williams play in which Ethel Barrymore has scored one of the greatest successes of her career in the theatre, comes to the Curran theatre, San Francisco, for a limited engagement beginning Christmas night, with matinees on Wednesday and Saturday. There will be no Sunday performances.

First produced in London with Dame Sybil Thorndike and the author in the leading roles, the play was an immediate success and continued for two seasons until the bombing of London shuttered the playhouses. Half a dozen leading Broadway managements sought the American rights, which were entrusted to Herman Shumlin, producer of "Watch on the Rhine," "The Little Foxes," "The Male Animal," "The Children's Hour," "Grand Hotel" and other hits.

On Broadway "The Corn Is Green" created theatrical history from its very start. It was the first dramatic play of English origin since "Journey's End" to duplicate its London success in this country. It won the New York Drama Critics Prize for the best imported play of the year, concurrent with the award to Shumlin's production of "Watch on the Rhine" as the best American dramatic work. Miss Barrymore set a new record for herself.

Inspired by the memories of the author's own youth, "The Corn Is Green" is an entertaining and heart-warming story of a forthright Englishwoman who battles the ignorance and stupidity of centuries in an effort to bring the benefits of enlightenment to a remote Welsh village. Meeting with opposition from the local gentry and indifference from the youngsters whom she seeks to assist, she is about to abandon her project when she discovers a spark of genius in a truculent young man. Under her guidance the lad applies for an Oxford scholarship and his quest takes on, in the eyes of the villagers all the excitement of an all-important sporting event.

Miss Barrymore, of course, plays the central character, Miss Moffat. Richard Waring plays Morgan Evans, the brilliant young Welshman and Perry Wilson is the amoral, sensual Cockney lass who gratifies her lust for life but nearly wrecks Evans' career.

ELECTED ORGANIST

Miss Winifred McGrath, principal of General Pershing school, was this week elected organist of Mission Parlor No. 227, N. D. G. W., by acclamation. Her brother, Raymond McGrath, is grand outside sentinel of the N. S. G. W.

Howard McCarten returned to school after a week's absence, having visited his father in Portland, Oregon.

A large poster reminding pupils of Pearl Harbor was sketched by children of the eighth grade social science period. The poster was placed in the school corridor, last week.

AT WOODROW

Much praise was given to pupils in Woodrow Wilson school for their scrap collection, last week. It was the largest of the year.

Another patriotic venture of the Woodrow school is to gain a ninety per cent average among pupils for purchase of war stamps, so that they can fly a Minute Man flag over their school.

ROOM 4

The war stamp banner, awarded to the class buying the most war stamps each week, was won by Room 4 last week. A total of $58.25 in stamps and an $18.75 bond were purchased.

ROOM 5

Two interesting films on national parks were shown in Room 5 recently.

ROOM 12

The children in Room 12 learned interesting facts recently when a film dealing with rubber was shown to the class.

All the classrooms are brightly decorated for the Christmas holidays.

HOW TO STRETCH THE MEAT RATION

by Dorothy Greig

WELL, girls, here's the situation:

Meat kite-high in price.

Meat rationed, voluntarily now, rigidly later.

Meat, some kinds, scarce.

And the problem: How to make every pound seem as bounteous as two pounds. How to keep Pa and the youngsters contented with the meat part of the meal.

It demands thought. It does indeed.

Here goes! First thought—call on rice, noodles, macaroni and bread crumbs to work their magic in stretching meat to bigger and better meat loaves, patties, and casseroles. Biscuit dough, atop a pie or as casing round a meat roll or sausages has its points, too.

But there are other extenders—and one of the best is condensed soups. A can of condensed vegetable soup, for instance, mixed with ground meat makes a larger and more nourishing stew, loaf or meat pie. Green pea soup, thick, just as it comes from the can, blended with mashed potatoes is rich filling for a meat roll—and has it flavor!

Or perhaps we just serve a hearty soup at the beginning of a meal as a substantial filler-in and builder-up. Select a soup thick with vegetables and pieces of meat. Scotch broth, oxtail, vegetable-beef, chicken, clam chowder and the like are all savory and sustaining.

In the following we have used a beautifully seasoned stuffing to plump our flank steak into a generous dish, and a rich gravy to heighten its flavor.

Baked Stuffed Flank Steak

Stuffing for Steak:

3 tablespoons butter
1 cup onions chopped
4 cups lightly packed bread crumbs
1 teaspoon salt
⅛ teaspoon pepper
½ teaspoon poultry seasoning
3 tablespoons chopped parsley
1 egg, beaten

Cook chopped onions in butter until yellow but not brown. Then add bread crumbs (made from bread at least one day old), seasonings, chopped parsley and beaten egg. Mix well.

4 tablespoons cooking fat
2—2½ pounds flank or skirt steak
1 can condensed mock turtle soup
1 can water, using soup can for measure

Put the stuffing on the flank steak and roll meat around it. Fasten meat with skewers or tie with string. Melt the fat in a pan and brown the stuffed flank steak on all sides. Place in a roasting pan or Dutch oven and pour the mock turtle soup which has been mixed with the water and heated in the pan with the steak. Cover and put into a moderate oven 350°F and bake 2-2½ hours, basting and turning about every 45 minutes. The meat must be very well cooked and tender. Serve "Baked Stuffed Flank Steak" on a platter and to the sauce in bottom of pan add 1 tablespoon flour mixed with 1 cup of water. Heat thoroughly and boil gently for about three minutes. Strain and serve. Serves 6 to 8.

Note: If flank steak is rather fat it may be necessary to skim off some of the fat before preparing the gravy.

Daughters Of Israel To Hold Public Whist

Whist players are invited to attend the regular monthly whist of Daughter of Israel, this evening. Playing will begin at 8:30 p. m. at 67 Los Banos avenue.

Mrs. Sadie Kupperstein, assisted by other members, will be in charge of the evening. The committee announces that due to coffee and sugar rationing they feel it is their patriotic duty to eliminate the serving of refreshments.

Cash first and second prizes will be given, along with many other lovely gifts, according to the ladies.

Last meeting of the year will be held Tuesday at 1:30 p. m., 67 Los Banos avenue. All members are requested to attend.

DISTRICT PTA

Seventeenth District Parents and Teachers will convene in the Burlingame High School auditorium, today, December 17, at 11 a. m. Mrs. Stella L. Jensen, president, will conduct the meeting of the executive board in the little theatre beginning promptly at 10 a. m. All district offiers and chairmen, as well as unit presidents are urged to be present for roll call.

Mrs. Faun Tuska, director of the department of extension has obtained for the speaker of the afternoon Dr. Aubrey A. Douglass, assistant superintendent of public instruction of the State of California. He will have as his subject "War Demands on the School." School instructors are given a cordial invitation to hear this speaker in the Methodist church of Burlingame, Howard and El Camino Real, following luncheon.

May Apply For Car Plates By Mail

Mail applications for 1943 license plates may now be forwarded to the Department of Motor Vehicles in Sacramento, by Daly City vehicle owners, according to announcement today by Acting Registrar, Thomas V. Maloney.

Receipt of word from the Norris Stamping and Manufacturing company of Los Angeles that sufficient steel will be available for deliveries of a portion of the 1943 "tabs" in January will make it possible to open all offices for renewal on January 2, as hitherto, Maloney said.

Persons applying for plates on and after that date will be given serially numbered receipts. Plates will be mailed to them as rapidly as they are available.

Applications received by mail will be handled in the same fashion, Maloney said. The amount of the fee due is shown in the lower left hand corner of the 1942 registration card.

RATIONING

quests filed after that date will be approved. R. L. Crane jr., superintendent of the Jefferson school district, was appointed custodian of supplemental gasoline forms. All Daly City applicants may get their forms at the Jefferson Administration building, 344 Santa Barbara avenue.

A word of praise for the fine work being done by the three Daly City members of the board was announced by Mrs. Day. Efforts of the three Daly City people in getting gasoline rationing under way were appreciated by all other members of the board, Mrs. Day said.

In Hawaii

The well-dressed stroller-on-the-beach in Hawaii, these days, wears "leis" of machine gun bullets, as this snap from J. Reed Farrar demonstrates. Farrar, who is acquainted with many Daly City residents, is a corporal in the U. S. Army, stationed somewhere in Hawaii.

In a recent letter to Mr. and Mrs. E. "Red" Keithley, 19 Guadalupe avenue, Farrar said, "You sure haven't much time in the service for social matters." He's a one-time resident of this community.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

Stress Importance Of Home Gardens

The recent W. P. B. order setting aside half of the 1943 pack of canned fruit, juices and vegetables for military and lend-lease needs emphasizes the importance of home gardens and home preservation of food, according to Agricultural Commissioner Max J. Leonard. Every Victory Garden, whether on a farm or in town, adds just that much to the total food supply of the nation and relieves pressure on commercial production and transportation facilities, Leonard pointed out. Because of the climate here, San Mateo county residents are more favorably situated for the raising of winter gardens than those living in more northern climates.

Government bulletins and other valuable advice and information on farm gardens may be obtained by writing to the Extension Service, College of Agriculture, Berkeley, California. At a later date, Leonard disclosed, the county Home Food Production committee hopes to put in a supply of these publications for local residents.

EVACUATION

(Continued from Page 1)

chances out of ten the army will take over Skyline boulevard and the coast highway."

Another serious obstacle which Reardon pointed out will arise, when evacuees flee south, is that Junipero Serra boulevard traffic reaches the Highway 101 junction, here, just south of Daly City.

Two rail routes out of San Mateo county have been named as evacuation lines by the county defense council. One is the Southern Pacific road to Santa Clara county, while the other route is eastbound, crossing the bay just south of the Dumbarton bridge.

Air raid wardens are authorized to direct all evacuation, working under their evacuation officers, according to the county. However, in reality, auxiliary police officers will direct the flow of traffic.

Telephone lines will be used for communication as long as they are available. When and if they are put out of action, short wave sets in all police departments will serve. Daly City Police department's two way set is also connected with the San Francisco Police department.

Grace Presbyterian Church Has New Pastor

Grace Presbyterian church, Hanover and Evergreen streets, is now under the leadership of Reverend William Miles. Reverend Miles presided over several Sunday services before taking over the regular duties of the pastorate, Sunday, November 22.

The former pastor, Reverend Lionel Brown, left the local church in October for a downtown church.

The public has been cordially invited by Reverend Miles to attend his Sunday services. Morning services will be held at 11 a. m. Subject to be preached will be "Wise Men Still Worship". During the evening a Bible study period will be held.

COUNCIL

(Continued from Page 1)

Dalton from the Daly City Police department. His resignation was followed by the appointment of Walter Davis to the police department.

Two more firemen were appointed following a recommendation from the city fire commission. The new members of the department are Robert H. Van Sandt and Gordon G. King. A leave of absence was granted Melvin Hanson.

The council was instructed, through a communication from the San Mateo County Planning commission, to submit plans for any improvement projects of the city to the county commission before they are approved. With the same instructions to other city governments in the county, the order tends to maintain uniformity in improvements.

The council voted to purchase fifty small maps and one large one for use in civilian defense. Another defense purchase authorized was for additional armbands. These purchases were authorized at the suggestion of Arthur J. Bodien, civilian defense director.

A resolution passed called for $6000 of the city's general fund to be transferred to the fire protection fund.

A report from Fire Chief A. P. Chesney on a meeting of fire chiefs held recently in Sacramento was read.
